

Our Organization

Sanmarkkam.org is a Community Service and Welfare - focused organization dedicated to Upliftment. Our company works with the aim of supporting education, career guidance and basic needs for underprivileged people.

Through free training programs and awareness initiatives, and community support activities, Sanmarkkam strives to create positive change in society. We believe in service, compassion and equal opportunities, working consistently to empower individuals and strengthen communities.

What We Do?

How it Works?

Sanmarkkam.org, a non - profit organization, empowers students and graduates by offering free training and job placement services. It also provides free counseling, career guidance, scholarships, promotes healthy living, and extends support to those in need.

1 Student Counselling :

Join us for an enriching opportunity offering scholarships, counselling, and admission guidance, all provided free of cost for deserving individuals, on their educational journey

2 Career Guidance :

Embark on a transformative journey toward career success with our comprehensive grooming program tailored for both experienced professionals, fresh graduates, and even higher secondary students, all provided free of cost.

3 Healthy Life

Extend a helping hand to the needy with our comprehensive aid program, encompassing grocery kit distribution, food provisions, clothing, and essential life supplies.

4 Support Needy :

Discover your true self through immersive lifestyle camps featuring rejuvenating meditation and yoga sessions, culminating in introspective explorations answering the fundamental question, "Who am I?"

Why Choose us?

1. Free and Inclusive Support

Sanmarkkam.org provides 100% free services like training, counselling, career guidance, scholarships, and essential support making help accessible to all, especially underprivileged youth and families.

2. Empowerment through Skill and Career Development

We focus on empowering students and graduates with practical skills, career growth, and job placement support giving opportunities for a better future.

3. Holistic Community Services

Our initiatives go beyond education promoting healthy living, awareness activities, and community support that enrich overall well-being.

4. Dedicated Volunteers & Positive Impact

Our team of volunteers works passionately to uplift individuals and build stronger communities through free programs and impactful outreach.
